TRUMAX

WHO WE ARE

TRUMAX was established in Dubai to fill the growing need for professional facilities management, electromechanical and manpower services. With a local focus on customer relations and service, we are equipped to outfit multiple facility types and markets. We efficiently and cost-effectively deliver flexibility, responsiveness and custom solutions at all times.

We are committed to our employees' safety and exercise safe work practices in all our activities. Our customers are guaranteed value-added services consistently. We help to optimise performance and enhance quality by assisting in evaluating operating, usage and spending levels. A commitment to provide safe, secure and clean work environments is our constant endeavour.

OPERATIONAL EXCELLENCE

We pride ourselves on our professionalism and a strong belief that we hire the best & experienced people for the job.

We believe in delivering nothing less than the Trumax standard to all our clients. Our Operational delivery and practices adhere to worldwide standards and best practices with ISO 9001.2005

We provide an integrated facilities management service to our clients that benefit from maximised efficiencies and cost effective delivery with a single point of contact. Our integrated service provides convenience and ease to clients with a single point of contact, invoice, delivery model and all services managed through one supplier. An integrated service offering allows us to streamline operational delivery, reduce back office and cut costs for the benefit of the client. Our commitment to self deliver services allows us great control over the quality of service delivery, flexibility and the ability to maximize efficiencies to reduce costs.

Our journey with our clients is one of constant improvement that is focused on service delivery excellence and innovation that can deliver intelligent savings for our customers.
